

## GSE-628 Amusement 4in1 Features

**GSE-628 Amusement 4 in 1** is a single-player touch amusement game. This interesting game combination is easy to play. We use embedded PCB for the game base. Features as follows:

1. This PCB is not a traditional PC baseboard, therefore the hard disk, fan and operation system for personal computer are not necessary. The board size is small and operation speed is high.
2. New customized amusement games or gambling games can be added on the same board.
3. Dimension: 20.5 x 17.9 x 2.0 (cm).
4. Weight: 250g.
